

DGFA Graduation Committee Meeting
Thursday October 15th at 5h30pm
Dunrae Gardens School

Dear Parents/Guardians,

Each year the parents/guardians of the Grade 6 Graduation Class come together to form the DGFA Graduation Committee, which plans social activities for the grade 6 class through the year, and organizes certain portions of the Graduation Ceremony in June 2020, such as decorations, music and photography. All activities, events, mementos, yearbooks, etc are funded through the fundraising efforts of the Graduation Committee.

The Graduation Committee functions as a sub-committee of the Dunrae Gardens Family Association (DGFA). As parents/guardians of the Grade 6 students, each of you is a member of the 2020 Graduation Committee and will have the opportunity to participate and vote on all actions of the 2020 Graduation Committee.

To facilitate the functioning of the 2020 Graduation Committee, an Executive Committee comprising of a Chair (or Co-Chairs), Treasurer and Secretary must be composed. This will take place at the first meeting of the 2020 Graduation Committee on **Thursday October 15th at 5h30pm** in the Staff Lounge at the school. We strongly encourage you to attend the first meeting as further details regarding this special graduation year will be provided.

We wish each of your children a very successful and memorable graduating year and look forward to your participation!

The DGFA Executive Committee
